

## IGP-HWF*classic* 59

Highly weather-resistant surfaces with brilliant effects

Perfectly cloud-free and homogeneous: The highly weather-resistant IGP-HWF*classic* 59 enlivens façades with brilliant effects and visible depth. These emission-free powder coatings are also characterized by easy handling and extreme efficiency. Available in smooth or structured finishes and a wide range of colors and variants, they give you complete freedom and creativity in façade design.
